

NIA 2025 4 - 6 FEBRUARY LAGOS, NIGERIA

In collaboration with

FEDERAL MINISTRY OF AVIATION AND AEROSPACE DEVELOPMENT

## NIA SPONSORSHIP BROCHURE

G

# FIRSTLY, THANK YOU FOR YOUR SPONSORSHIP

#### 

The Nigeria International Airshow (NIA) is aimed to stimulate Aviation as a positive tool for economic development in Africa spanning sectors such as Trade, Transport, Tourism, Cargo, Medical Evacuation, Avionics, Aerospace, Defence amongst others.

The maiden edition of NIA scheduled to hold on the 4th – 6th February 2025 in Lagos, Nigeria will feature key industry leaders in panel discussions and would include a world class airshow, Aircraft Tour, Panel Sessions, a Themed Ball, Industry Awards, an aviation deal desk, exhibition of services & products, emerging technologies, and start-up Innovations.

This bi-annual conference; a foremost event in Nigeria is set to bring together the pillars and relevant stakeholders in the industry to their desired audience. The 3-Day conference is geared towards facilitating investments into the industry and is in alignment with global and continental initiatives such as IATA, AfBAA etc. where these investments are expedited through industrialization and awareness creation on the massive potentials in the industry.

NIA 2025 is set to connect players to new markets and opportunities whilst also driving policy review to improve and grow the industry.

Thank you for your support.
